Neighbour Day social media for councils & community

Neighbour Day is Australia's annual celebration of community, encouraging people to connect with those who live in their neighbourhood.

Whether through a cuppa, a picnic in the park, or a message of support; Neighbour Day is the perfect opportunity to say thanks for being a great neighbour and for being there when I needed you most.

Neighbour Day is celebrated on the last Sunday in March every year with the aim of fostering strong personal connections that last the whole year round.

Councils and community groups across Australia are recognised as the greatest supporters of Neighbour Day and integral to the success of the movement. Social media is one of the key success strategies for Neighbour Day year round.

Whilst Neighbour Day is celebrated on the last Sunday in March each year, every day can be Neighbour Day.

The principal aim of Neighbour Day is to build better relationships with the people who live around us, especially the elderly and vulnerable.

It is the stories about real human connection at the local neighbourhood level that inspire all of us to rise above our reserve and knock on the door of the person down the road whose burden may be lightened, or even life transformed by that small kindness.

Neighbour Day Social Media Ideas

The social media tools for Neighbour Day are the Neighbour Day website, Facebook page, Twitter and Instagram. Neighbour Day collectively has around 20,000 followers on these social channels and numbers are growing daily, so it is a worthwhile investment in terms of community engagement.

Neighbour Day provides a great opportunity for councils and community groups to share good news on their social media accounts.

Ideas to support Neighbour Day through social media include:

- Use the social media platforms (including the [Neighbour Day website](#)) to complement each other.
- Announce all events you are co-ordinating, attending or linked to, through all the social media channels available. Twitter can be used as the initial link, with more details provided on Facebook or other formats.
- Use social media to support the media releases, community service announcements, Mayor's or CEO or President's columns or E-newsletters you produce.
- Talk about the Neighbour Day council resources and e-kit available at [neighbourday.org](#) in your social media chatter. Resources include posters, e-cards, invitations, calling cards and Neighbour Day signs for social media selfies.
- Encourage people to enter the Neighbour Day 'Tell Us Your Story' competition and talk about their great neighbours. Details are available on the Neighbour Day website.
