Dear Mr Heslop

Thank you for your letter of 19 May 2006 detailing your progress in your National Get to Know your Neighbour Day initiative.

The support of the United Nations Secretary General is certainly a wonderful step in gaining international recognition of your work. To have official sanction from the United Nations is a great achievement and is certainly a valuable partner to have going forward.

The success of the National Get to Know your Neighbour Day is of incredible value to the community and I wish you all success for the 2007 event.

Yours sincerely
