Dear Mr Heslop

Thank you for forwarding me a copy of your letter to the Prime Minister concerning National Get To Know Your Neighbour Day.

I can understand how pleased you must be to receive such an enthusiastic response from the Secretary General of the United Nations.

I was wondering, when I read your letter, whether you have also communicated with local councils around Australia. While a big undertaking, this might be worthwhile as I know many councils support community initiatives of this type.

Congratulations on all that you are doing.

Yours sincerely
