Dear Mr Heslop

Thank you for your letter dated 31 August 2006 regarding the first global Neighbour Day to be held in 2007. Please accept my apologies for the delay in responding to you.

Brisbane City Council would be pleased to assist you in the promotion of the global Neighbour Day, through the ourbrisbane.com portal, with reach to Brisbane residents through the Internet. I will also bring this to the attention of individual Councillors and ask them to get behind this initiative, within each of their local Wards.

I would also recommend that you take advantage of advertising through local media in Brisbane, such as Quest Newspapers. Mr Shane Rodgers, Editor-in-Chief of Quest Newspapers, can be contacted by email at [rodgerss@qst.newsltd.com.au](mailto:rodgerss@qst.newsltd.com.au); or by telephone on (07) 3352 0700.

Any further enquires in relation to Council's promotion of this initiative should be directed to Mr Michael Lockwood, Manager City Life, on 3403 8888.

Thank you for bringing this initiative to my attention, and I wish you every success in your endeavours with the first global Neighbour Day.

Yours sincerely

Campbell Newman  
**LORD MAYOR**
